

CAPABILITY STATEMENT

NEW INSIGHTS Into Children's Temperament is an intervention that supports educators, parents, and other caregivers in supporting children's potential. Our strategies have proven to reduce children's disruptive behavior and improve their academic skills.

Core Competencies

Children's Program

- For classroom and after-school programs.
- 10 or 20 week program.
- For children 5-8 years old.
- Tier 1 / Tier 2.

Educators and Parents Program

- Hybrid program for educators and/or parents.
- 6 self-paced lessons.
- 6 facilitated remote sessions.

Past Performance

- Conducted in many urban and rural communities in the US and other countries.
- Contracts: IES SBIR 91990022C0037, IESR305A080512; NIH, R01NR0478
- Rated as effective by the National Institutes of Justice.

Differentiators

- Tested in multiple federally funded studies.
- Proven behavioral and academic results reported in peer-reviewed publications.
- Effective strategies are tailored to different children's temperaments.
- Cultural appropriateness assessed in each community.
- Adapted for Spanish-speaking parents.
